OLUWASEUN SODEEQ

Lagos, Nigeria | ademola.oluwaseun.sodeeq@gmail.com | +234 814 942 8278 | LinkedIn | Portfolio | GitHub

OBJECTIVE

A self-taught Front-End Developer with a strong foundation in React.js, Next.js, and modern CSS frameworks. Passionate about building responsive, user-friendly web applications and solving real-world problems through code. Adept at problem-solving, and effective communication, with hands-on experience developing diverse projects, including engineering service platforms, portfolio websites, and interactive applications. Seeking an entry-level role in a collaborative, innovative environment where I can continue to grow and contribute.

SKILLS

Technical: HTML, CSS (Tailwind, CSS Modules, Styled Component), JavaScript (ReactJs & Nextjs), Python, Git.

Organizational: Excellent Project and Time Management, Critical Thinking and Problem Solving, Great Verbal and Written Communication.

PROJECTS

BES | *Front-End Developer*
